Attn: Chemical Right to Know Program
HPV Challenge Program

Dear Administrator,

The MBOCA Consortium no longer exists, and is therefore withdrawing its sponsorship of 4,4'-methylene bis (2-chloroaniline) (CAS# 101-14-4) in the HPV Challenge Program, AR-201.

If you or your staff have any questions or comments regarding our withdrawal, please feel free to call the Polyurethane Manufacturers Association Legal Counsel, Don Gallo at 262-951-4555.

Sincerely,

Jane A. Svinicki, CAE
PMA Association Executive
